### MISSING ADULT MALE 2400 BLOCK SOUTH SADDLEBACK AVENUE

On the morning of November 14, 2012, the Tucson Police Department responded to a group home residence in the **2400 Block of South Saddleback Avenue** in order to assist with a reported **missing adult male**. Officers from Operations Division East responded to the area to initiate the investigation. They spoke to staff at the group home who advised that **James William McGuire, 58-years old**, had left the residence sometime between the hours of 12:00 PM and 2:00 PM on November 13, 2012. He had not returned to the residence by the early morning of November 14, 2012. There was concern for his well-being due to the fact that he has a medical condition, which requires him to take medication on a regular basis, and he has been diagnosed as having dementia. In addition, as the overnight temperatures were significantly cooler, there is concern that he was exposed to the elements overnight and may have gone without food or shelter.

Mr. McGuire is described as a Caucasian male, 5'08" tall, and weighing approximately 180 pounds. Mr. McGuire likes to visit railroad tracks and trains. He also is familiar with the downtown area of Tucson. Anyone having information about his whereabouts is urged to **call 911 as soon as possible** so that his welfare can be checked. The Tucson Police Department continues working diligently in our search to locate Mr. McGuire in order to get him home and ensure that he gets the medication that he needs.
